TELSTAR SKIERS WESTERN MAINE "B" CHAMPIONS

Telstar Regional High School compiled 362.50 points to edge Deering High School of Portland, 360.97, and Oxford Hills, 354.66, to win the Western Maine Class "B" ski championships at the Oxford Hills ski area, Friday and Saturday.

Lewiston High was fourth with 288.15, followed in order by Rangeley, 269.70; Kennebunk, 241.08, and Fall-Dale, 168.24.

The giant slalom and jumping events were run off Friday.

The first three schools qualified for the state meet to be held at the Lost Valley ski area in Auburn, Feb. 7-18.

Kent Morton of Rangeley was skier, winning both slalom races and finished second in cross-country.

Weeks of Oxford Hills was second in Saturday's slalom with Goodwin of Kennebunk third.

Tom Remington of Telstar took the cross-country with Hiebert of Oxford Hills finishing third behind Norton.

GOULD SKIERS GRAB STATE PREP SCHOOL CHAMPIONSHIP

The Gould Academy ski team totaled 382.92 points to outdistance a field of seven and win the Maine prep school ski championships in Bethel Saturday.

Kents Hill finished a fairly close second at 378.21 and MCI was third with 375.03. Other schools in order of finish were Hinkley, 352.03; North Armouth Academy, 160.07; Hyde school, 135.52, and Hebron Academy, 9.84.

Tim Skaling of Kents Hill was a double winner, winning both the giant and regular slalom.

Bart Bailey of Gould was crowned slameister with a total of 373.36.

The summary:

Giant Slalom — 1. Tim Skaling (KH); 2. Kailey (G); 3. Kolesko (MCI); 4. Daigle (G); 5. Lowell (G). —68.7.

Slalom — 1. Tim Skaling (KH); 2. Daigle (G); 3. Plummer (MCI); 4. Kailey (G); 5. Fields (H) and Kolesko (MCI). T.—67.9.

CANDIDATES FOR QUEEN OF BETHEL WINTER CARNIVAL

The above young ladies are candidates for the Winter Carnival sponsored by the Greater Bethel Chamber of Commerce. They are, (left to right: Front row—Deborah Cummings, Bethel; Margie Swann, Mills; Diane Hathaway, Bryant Pond; Back row—Sue Brooke, Newry; Jodi Packard and Terry Roy of Bethel. All the girls are students at Telstar Regional High School.

The Queen's Coronation will be held at the Bingham Auditorium on Saturday evening, March 8, at 8 o'clock. Jud Strunk of the Merv Griffin Show, will be master of ceremonies, and present a program of songs and entertainment. Tickets are available from Queen Candidates.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The snow storm of Sunday and Monday has left us with many narrow roads and streets but we were able to keep the main roads open for travel. There were a few side roads on which a bulldozer was hired to remove the worst drifts. We will be hauling snow and pushing banks back for some time in an attempt to make room for future storms.

I shall attend a meeting tonight (Thursday) in Rumford to investigate the possibilities of Bethel becoming a part of a Regional Planning Area. Indications are at this time we may improve our position in regard to financing a sewage disposal system by joining with other municipalities. Representatives of several towns are to be present at the meeting to discuss the feasibility of such a plan.

Mrs. Lillian P. Young has been hired as secretary to the town manager to replace Mrs. Earles who has resigned effective March 3. Mrs. Young will also seek the office of Town Clerk.

We have a key for a Ford car in the office that was found in front of the upper Laundromat. The owner may call at the office to claim it.

CHARITY THEATRE IS CLOSED

The movies in Odeon Hall on Main Street in Bethel will not be shown any longer on Saturdays. Not enough people attended the movies and so it was not a profitable venture. The cost of renting the movies was more than the contributions received at the ticket office. It is with regret that the men of the Methodist Church have made this decision.

OPEN HOUSE SCHEDULED AT TELSTAR FEB. 23

Open house will be held at Telstar Regional High School on Sunday, February 23, from 2 to 5 p. m. During these hours guided tours of the building will be given.

On Monday, February 24, parents are welcome to attend school and attend classes. It would be appreciated if those planning to attend classes on Monday would notify the General Office of their plans by calling 824-2027.

STOWELL NAMED TRUSTEE OF BETHEL SAVINGS BANK

At a meeting of the Bethel Savings Bank trustees held February 7, Dexter M. Stowell, was elected trustee to fill the vacancy created by the death of Henry H. Hastings.

Mr. Stowell was born in Andover, Maine, February 14, 1928. He received his education in the Woodstock Elementary Schools, Gould Academy and the University of Maine from which he received the Bachelor of Arts degree in Business Administration in 1953. While in college he was elected to Phi Beta Kappa and Phi Kappa Phi, honor societies.

A veteran of U. S. Army service during 1946-1947 and 1950-1951, Mr. Stowell held positions as Assistant Bank Examiner of the Federal Reserve Bank of Boston 1953-1955, Accountant, Dewey and Almy Chemical Co. Division of W. R. Grace, Cambridge, Mass., 1955, and Assistant to the President, Stowell Silk Spool Company, Bryant Pond, Maine 1955-1956. In 1956 he was elected to his present position of Vice President and General Manager, Stowell Silk Spool Company.

Mr. Stowell is a member of the West Parish Congregational Church; Chairman, Board of Directors, Telstar Regional School District; Member, Executive Committee of the Gould Academy Board of Trustees; Director, Bethel Area Development Corporation; Vice President of the Board of Trustees, Bethel Library; Corporation, Bethel Savings Bank; Past President, Wood Turners and Shapers Association; Past President, Gould Academy Alumni Association. He is married to the former Janet Sutherland of Beamsville, Ontario, Canada, and they have three children, Elizabeth, Judith and Nancy.

ADULT EDUCATION

For those who may be interested in an Adult Education Program contemplated at Telstar Regional High School starting in March, an application form is printed on Page Six.

GOULD CARNIVAL QUEEN

Gwen Reiman, daughter of Mr. and Mrs. Don Reiman of Scarborough, N. Y., who reigned as queen at the Gould Academy Winter Carnival held last week end.

S. A. D. 44 DIRECTORS PERMIT RETENTION OF CONTESTED BOOK AT TUESDAY MEETING

A regular meeting of the board of directors of S. A. D. 44 was held Tuesday evening, Feb. 11, at Telstar Regional High School. Board members not present at the meeting were Roderick Sidelinger of Andover, and Milton Mills of Woodstock.

The directors authorized the renewal of bond anticipation note issued previously in anticipation of \$170,000 unissued balance of School Bonds, in the denomination of \$143,000 bearing interest at 4 1/2% annually; to issue a note in anticipation of State Aid in the amount of \$960,000, bearing 4 1/2% interest.

The agenda item pertaining to limitation of discussion of items on the agenda was passed over.

Supt. Ralph K. Ryder explained that under present policy of the directors, all administrators in the District are on a merit pay system, not a salary schedule.

Mr. Ryder informed the board that an open house would be held at Telstar on Feb. 23, from 2 to 5 p. m., and on Feb. 24, throughout the school day. The formal dedication of the high school will be held at a later date, according to Mr. Ryder.

A petition was presented to the board from the pupils and some of the faculty members at Telstar in regard to a smoking room or area at the school. It was decided after much discussion that a representative group of the petitioners appear at the next regular meeting of the board to discuss this request. A motion to have a speaker from the Maine Cancer Society or the Maine Medical Association at the next board meeting failed of passage.

A report of the Book Review Committee, was presented by James Fiske of Bethel. The committee recommended that the book "Empire of Ice Cream" not be removed from the English curriculum at Telstar. It was so voted by the board.

Authorization was granted permitting the transfer of \$2,202.70 from the instruction to the transportation account. A vote of thanks was given Dexter Stowell, Bethel; Lester Bickford, of Greenwood, and James Farrar of Woodstock, board members who are not seeking re-election.

BETHEL CANDIDATES MUST FILE BY FEB. 17

Candidates for local office in the annual municipal election on Monday, March 3, are reminded that to have their names appear on the ballot, nomination petitions must be filed with the Town Clerk by Monday, February 17.

It is reported that the following have petitions for the office of Selectman and Assessor: Dana Bean, Arnel K. Brown, Frank Hunt Jr., and J. Jay Willard. Mr. Willard is seeking re-election to the dual selectman-assessor post. Dr. James T. Hudson, whose term also expires this year, is not seeking re-election.

As of Wednesday noon, seven candidates were in possession of nomination petitions for School District Director. The terms of Dexter M. Stowell and A. James Fiske are expiring. Mr. Stowell announced last week that he will not seek re-election. Candidates who have papers for this post are: John K. Brown, Shirley Chase, A. James Fiske, Clarence "Bud" Howe, James T. Hudson, Thomas Jeffries and Dale Thurston.

Mrs. Lillian P. Young has secured nomination papers for the position of Town Clerk; and R. S. McMillin for Fire Ward.

CHAMBER OF COMMERCE TO MEET NEXT TUESDAY AT METHODIST CHURCH

The Greater Bethel Chamber of Commerce will meet on Tuesday, February 18, at the Bethel Methodist Church. Supper will be served at 6:30.

Candidates for the offices of Selectmen and Directors of S. A. D. 44 have been invited and will be given an opportunity to express their views regarding school and town policies. It is also planned to have a discussion on the Bethel town budget.

SUPPORTERS OF CUB SCOUTING URGED TO ATTEND MEETING

There will be a meeting of all those interested in the support and continuation of a Cub Scout program in Bethel at the Bethel Methodist Church Annex on Tuesday evening, Feb. 18, at 7:30.

FIRST TELSTAR STUDENTS TO MAKE ALL-STATE MUSIC FESTIVAL

Linda Hathaway (left) and Dorothy Lovejoy will be the first representatives of Telstar Regional High School to the All-State Music Festival to be held in Brewer during the early part of April. Linda will be playing oboe in the band and Dorothy will sing alto in the chorus. Linda, the daughter of Mr. and

Mrs. Elden Hathaway of Bryant Pond, is a member of the junior class and participates in the band, chorus, Latin and Pep Club.

Dorothy, the daughter of Mr. and Mrs. Cleveland Lovejoy of West Bethel, is a member of the senior class and participates in band, chorus, Drama Club and Library Club. This will mark Dorothy's fourth year at All-State.

* MAY, 1957 READER'S DIGEST

GREENWOOD CITY

— Mrs. Collette Morgan, Corres. —

February is a month of strong roots: Lincoln, Washington, Lindbergh and our own Longfellow.

Though short, February is as changeable as the wind. In this brief time its tantrums have been obvious. It has sulked and smiled upon us and has given sleet and snow, sunshine and cold, and not yet half over.

It first introduced itself with an invitation to Mr. Groundhog. "Hurry up you sleepy head! Tumble out of your cozy bed." Then Mr. Sun over Eastern Hill rose for a lovely day, driving Mr. Groundhog back to stay.

We can not, and do not want to sleep it away as Mr. Woodchuck will. We must face it. But no matter what weather now comes January is past and ahead lies March and April. Then May! Little violets, will you be eager to greet us?

We see the sun rising somewhat earlier and setting a little later. I like it for I can again see my mountain across the expanse of white, the pond, as I finish my breakfast dishes at six. Over there, too, somewhere at evening time comes the call of the owl. It is thrilling and fearful. I remember the first time I heard it as it came booming out whoo-whooh! It sent prickles up my spine even though I wasn't frightened. Then it came again asking the same question, I wonder if he was questioning my right to be here. I stand and listen and there seems to be no sound except the rustle of a light breeze through tenuous oak leaves. I look up to the brightness of the stars overhead. Then—again comes that vibrating, awe-inspiring call. Through the woods across the pond, filling all space, penetrating the stillness. Who—Whooh!

Dare I answer?

Robert Holt of Bangor was through this section on a business trip on Friday so stopped to visit with his parents, Mr. and Mrs. Leonas Holt for a while.

Mr. and Mrs. Duane Hayes and Scot, West Paris, and Mr. and Mrs. Ardell Hayes, Auburn, were Saturday visitors at the Hayes homestead.

Mr. and Mrs. Clyde Morgan and Mrs. Leonas Holt were in Bethel on Tuesday for dental work.

Norman Perham, Woodstock, was here Sunday to shovel off the roof of his camp.

Mr. and Mrs. Leonas Holt were in Lewiston on Sunday to visit his father, Harold Holt, who is very ill and under intensive care.

In spite of the storm on Sunday there were many people with snowmobiles riding the ponds here.

Clyde Rowe, South Paris, was a caller at Bernard Morgan's one day this week.

Mr. and Mrs. Norman Millett and children were Sunday dinner guests of Dr. and Mrs. Sherwin in Rumford.

Mrs. Gordon Morgan was a patient at Stephens Memorial Hospital, Norway, from Monday until Wednesday.

Mrs. Stanley Hakala and Mrs. Norman Millett attended a Health meeting at Stephens Memorial Hospital Tuesday evening.

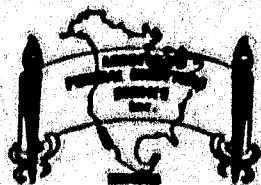

Alfred Hakala of Massachusetts called on friends in town on Friday and Saturday.

Eight members of the Congregational Ladies Aid met Thursday last week at the CEB. Cards were signed for Lucille Marston, Everett Dresser and Althea Hutchins. A letter was read from a former minister, Rev. Graham, now living near Boston. The next meeting will be Feb. 20 at the CEB.

Everett Dresser is at his home on Main Street after being hospitalized at Rumford and Portland for over a month. Mrs. Bernard Hutchins returned from the Community Hospital on Saturday.

Mr. and Mrs. Robert Slack and Denise, Paoli, Pa., arrived at her parents home last week end. Mrs. Slack will remain for a month while her husband is in Scranton, Pa., on business.

Mr. and Mrs. Craig Andrews and family, Dover-Foxcroft, visited with Mr. and Mrs. Theodore Conrad and family over the week-end.

Kenneth Merrill, son of Mr. and Mrs. Eugene Merrill, is scheduled to leave on Feb. 17 for the Navy. Last week end he and his cousin, Joel Hodsdon, Fryeburg, motored to Clay, N. Y., to visit with their grandmother, Mrs. Harry Merrill and with Joel's mother, Mrs. Austin Daigle.

All nomination papers must be in the hands of the Town Clerk by midnight Feb. 14. Officers elected by ballot are: Clerk; Tax Collector; Treasurer; one Selectman; Road Commissioner; Fire Chief; one member to the S. A. D. Directors. Town meeting will be held on March 1.

— Mrs. Olive Davis, Corres. —

Mrs. James Andrews of Pepperell, Mass., spent Monday night with Mr. and Mrs. Harlan Andrews.

Mr. and Mrs. Ellis Davis attended Past Master's meeting at Oxford Grange Friday night, February 7.

Mr. and Mrs. Ellis Davis attended Oxford Pomona held at Bryant Pond Tuesday evening.

Mr. and Mrs. Leslie Bryant called on Mr. and Mrs. Ellis Davis Sunday, bringing gifts and a nice cake to me in honor of my approaching birthday.

Mrs. Elaine Bean held a Tupperware party at her home Thursday evening.

The snow storm has laid everyone low in this vicinity. Everyone is shoveling. Many places are closed including all schools. The drifts are high. Our back kitchen window has a drift covering it completely, which has never happened before. The other windows are O. K. Why this one particularly? Probably because the thermometer was transferred there and because "we could always see out there".

Mr. and Mrs. Hutchins and family of Portland spent Saturday with Mr. and Mrs. Nicholas Clements and family.

School was called off Tuesday because of the unplowed roads. The wind blew all night causing further drifting even where the roads have been plowed well Monday. Another storm promised for Wednesday. Guess it is time to don your snowshoes as that and sking will be the only way to maneuver over these hills or buy a snowmobile. They surely are handy in this countryside if an emergency occurs.

WOODSTOCK

A recent visitor of the Sabbath School at the South Woodstock Seventh-day Adventist Church, was Dayton Chong, a native of Singapore. At present he is attending Atlantic Union College, in South Lancaster, Mass., where he is a senior, majoring in Theology. Dressed in native costume, he told interesting accounts of life in the homeland and the progress of Christianity there. Because of outstanding scholastic achievement he is listed in "Who's Who in College." Next year Mr. Chong will be attending Andrews University, Berrien Springs, Michigan, where he will continue his course in Theology, in preparation for his returning to his own country as a minister of the gospel. He is living testimony to the fact that "Missions do pay."

NURSERY INDUSTRY FEARS LADY BIRD'S BEAUTIFICATION PROGRAM MAY BE SCUTTLED

While Vietnam, inflation and crime seem to be pre-occupying the nation, the American nursery industry is concerned, now that Lady Bird Johnson no longer occupies the White House, that the crisis of the environment might lose out and be swept aside with other Johnson programs.

Robert F. Lederer, executive vice president of the American Association of Nurserymen, explains that in order to keep the many problems of our environment and national beautification a topic of public concern, his industry is planning to take action on several fronts.

He explains his predicament this way:

"Of course we're going to miss the vitality of Lady Bird Johnson and her efforts to improve our man-made and natural environment. Almost single-handedly she developed a new awareness in Americans of the natural beauty we have in this country and the ugliness we have created. Because of her leadership, cities and towns across the nation have working beautification organizations and most governors have established beautification commissions."

"Now we're going to have to move ahead on our own initiative, drawing support wherever we can. Too much good has been done in the past few years for us to sit back, relax and lose the momentum that has been created. There can be no question that Mrs. Johnson struck a chord with millions of Americans."

Lederer said that his first task is to encourage President Nixon to provide continuity to present government environmental programs. Lederer doesn't see a need for more government programs, but rather a "tightening up and concentration on" existing effort. He plans to offer the services of his organization to the new Administration and hopes to work closely with both President and Mrs. Nixon on beautification matters.

Lederer is particularly encouraged on this count and believes that the new President will not only lend support to beautification, but sees a possibility that President Nixon will enlarge upon the concept of beautification to give greater force to such problems as pollution and urban noise control.

Second, Lederer said his organization plans to launch a major national promotional and educational program to the homeowner and to business and industry early next year. It is already deep in planning and preparation for this step.

The national promotion program, slated to begin early in the spring of 1970 will encourage homeowners, businessmen and industrialists to improve the landscaping and appearance of their properties. National magazines, network radio, and extensive public relations activities will be used in this effort.

Finally, the nursery industry hopes to work closely with individual government agencies, business and industry, and trade associations interested in national beautification to develop cooperative projects.

"A high-level, national task force is what we really need," Lederer said. "It would include top people from the White House, appropriate government agencies and from interested industries and would concentrate on idea-generating, planning and coordination."

"All of us have our special inter-

TELSTAR R. H. S. NEWS GUIDANCE DEPARTMENT

Teletar seniors who plan a career in teaching after college may desire to file application for a \$250 Scholarship to be given by the Maine State Retired Teacher's Association. Applications must be filed by April 19. Procedure for filing this application may be obtained from the Guidance office.

Wilbur S. Myers has received his acceptance from the University of Montana at Missoula, Mont. Lynn Dickey has been accepted at Farmington State College.

In view of the Dollars for Scholars Minstrel Show which will be held on February 28 and March 1 at the Telstar Auditorium, the Guidance Department wishes to quote from letters received from students who were recipients of scholarships last year from this source. These letters express why we should all support this program. Midshipman Edward Rosenberg of the Maine Maritime Academy quotes as follows:

"I would like to express my gratitude to the members of 'Dollars for Scholars,' the officers, and directors, for making possible the scholarship which I received."

"I am attending Maine Maritime Academy and I am sure it will be of great benefit for my second semester as I have my tuition plus additional expense for uniforms."

"I hope at the end of four years I can repay this money so someone will have the same opportunity that I have to further their education."

Thomas Davis of Gorham State College comments as follows:

"I would like to take this opportunity to thank the Committee and the citizens of SAD 44 for making it possible for me to receive one of the Dollars for Scholars grants. It has been extremely valuable to me in paying my semester bill. In fact, it covered the entire cost of my applied music lessons, one of the most expensive parts of the music program."

"Again, thank you, and may I encourage you to do this every year, since it may make the difference in whether or not a student continues in education."

The Committee sponsoring the Dollars for Scholars Minstrel Show has requested the following article to be used as part of the stage properties: large college banners, two or three raccoon coats and any fraternity materials. If you have any of these materials, please contact Jan Young by telephone, 824-2307.

Plan now to make your reservations to attend the mid-winter social event of the season. All Board of College to be held at Telstar on Friday, February 28, and Saturday, March 1. Watch next week's Citizen for an announcement concerning the locations where tickets will be available. According to the reports from the rehearsal sessions, everything points toward a high quality show.

MORRISSETTE - MORRISON

In an evening ceremony, Lynne Morrison became the bride of Mitchell Morrisette on Saturday, February 1st, at the home of her parents. Rev. William Regan of the Baptist Church read the single ring ceremony in the presence of relatives and family. The bride was given in marriage by her father.

The bride wore a semi-formal sapphire blue net over taffeta. Her veil was light blue. She wore a corsage of white carnations. Miss Terri Cummings was her maid of honor. She wore a green velvet semi-formal with a pink corsage.

Richard Cummings was Mr. Morrisette's best man. Miss Mary Jane Abbott played the organ.

A small reception attended by over 50 of the couple's relatives and friends was held immediately following the ceremony. The gift table was in charge of Faye Stevens. The wedding cake was made by the bride's aunt, Mrs. Truth Gibbs. It was cut and served by the groom's sister, Terri Cummings. Joan Damon and Naomi York served refreshments.

Mrs. Morrisette is the daughter of Leo and Phyllis Morrison of West Paris.

Mr. Morrisette is the son of Leo and Lucille Morrisette of South Paris. He is a student at Oxford Hills High School and employed part-time at Marshall's Flying A in South Paris.

They are residing at the home of her parents.

A variety bridal shower was given Miss Lynne Morrison Sunday, Jan. 26, by Mary Jane Abbott, Naomi York and Phyllis Morrison. She received many lovely gifts including a cake made by her mother, decorated by kitchen utensils. Peter Morrison attended the guest book. Joan Damon served punch. Naomi York and Mary Jane Abbott served refreshments. Those attending: Elizabeth McAllister, Richard, Virginia and Edith Proctor, Joan Damon, Sherry, Linda, Jean and Joan Rowe, Evelyn Chamberlain and Pat, Ruth Pray and Ellen, Elsie Ellingwood, Julie Oja, Rebecca Stevens, Faye and Lisa, Ruth Emery, Terri Cummings, Bonnie McAllister, Lucille Morrisette, Naomi York and Lynda, Dorothy Cornell, Phyllis Summe's, Truth Gibbs, Lois Abbott, Jennie Kilponen, Karen and Belinda, Mary Jane Abbott, Peter Morrison, Phyllis Morrison. NOTICE OF FORECLOSURE WHEREAS, Fred A. Whitaker and Rochelle M. Whitaker, both of Fryeburg in the County of Oxford and State of Maine, by their mortgage deed dated July 25, 1962 and recorded in the W. D. Oxford County Registry of Deeds in Book 181, Page 332, mortgaged to Cumberland Savings and Loan Association, a corporation duly existing by law at Portland in the County of Cumberland and State of Maine, the following described real estate:

A certain lot or parcel of land, together with the buildings thereon, situated in Fryeburg Village in said Town of Fryeburg, being the homestead of the late Myrtle M. Keefe and the same devised to her by Clarence E. Keefe, said premises are bounded and described in deed of Ella S. Olney to Clarence E. Keefe dated March 5, 1924, and recorded in the Oxford Western District Registry of Deeds in Book 114, Page 592, as follows: Bounded northerly by land occupied by Eli Johnson; easterly by land of Harrison McNeal; southerly by land lately occupied by Joseph S. Webster; and westerly by the road leading from Fryeburg Village to the depot of the Portland and Ogdensburg railroad; together with the buildings thereon, being precisely the same premises conveyed by Ella F. Lang et al to John Bachelard by deed dated February 8, 1896, and recorded in Oxford County Registry of Deeds, Western District, in Book 82, Page 506.

Being the same premises conveyed to these Grantors by Etta Keen by her Warranty Deed dated July 17, 1962 to be recorded. Saving, excepting and reserving, however, from the premises above described whatever right(s) others may have in the public way known as Cottage Street or McIntire Street.

AND WHEREAS, the conditions of said mortgage have been broken. NOW THEREFORE, said Cumberland Savings and Loan Association, by Albert E. Grant, its Treasurer, hereunto duly authorized, claims a foreclosure of said mortgage by reason of the breach of the conditions thereof.

Dated at said Portland, this 29th day of January, 1969.

SUNDAY RIVER

Mrs. R. M. Frost, Corres.

Well, Monday soon put an end to the ground hogs' party as the fifteen inches of snow covered all tracks.

Mr. and Mrs. Ernest Verrill and children of Concord, Mass., were up over the week end.

Grovton Methodist Church Fellowship group spent the week end at the Sunday River Inn.

Mr. and Mrs. Steve Wight were guests of Mr. and Mrs. Edward Daye the past week.

The Jack Kelly family of Topsfield, Mass., were in town two nights this week.

Mrs. Timothy Lavallee returned to the U. of M. this week, while Mr. Lavallee returned to the physical education program of Telstar Regional High School.

Mr. and Mrs. Bill Koen and family were able to obtain a telephone in their new home.

Twenty-eight snow travelers enjoyed a chicken supper at the Sunday River Inn Saturday evening. It was followed by a twenty mile trail ride.

Sharon Daye was an overnight guest of Mr. and Mrs. Franklin Harrington last week.

Anthony Pugliese was in town over the week end.

A surprise baby shower was given in honor of Mrs. Larry Cox Monday evening by the local Sunday River neighbors.

Marie Heino of Norway worked at the Sunday River Inn this past week end.

Mrs. Jeannine Fleet visited her parents, Mr. and Mrs. Marshall Rolfe, at North Waterford Friday afternoon.

Well, I have got to say thank you to a couple of neighbors. One an old reliable one, who when the phone is out or I am out, sends in the news from her end of the line. The other is a new one and I guess they were as a birthday gift as I am the same age as my husband since Saturday.

It is written 72. I sometimes feel older and sometimes younger, maybe only 27.

BASKETBALL

WINTHROP TRIMS TELSTAR, 105-65, LAST THURSDAY

Winthrop High, second ranked in Western Maine Class L basketball ratings, broke away from a sluggish first period and went on to roll up a 105-65 victory over Telstar Regional High School in Bethel last Thursday night.

It was the 15th win in 17 for the Ramblers, and the 16th straight loss for the locals.

A sharp man-to-man defense plus the great all around play of Capt. Brad Scott, who scored the game high individual total of 32, featured the Rambler romp.

Other top scoring efforts by Winthrop were by Roger Dowley 17, John Whitehouse 16 and Bill Judkins 10.

Co-Captain Andy Davis was the top gunner for Telstar, co-leader Steve Simmons and Steve Hakala had 11 each, and Chris Bailey 10.

The summary:
Winthrop (105)
Dowley 8 (1), Poulin 2, Scott 12 (3), Judkins 4 (2), Whitehouse 4 (8), Howse 4, DeBlois 3 (1), Fontaine 1, Gacomb 2, Frechette (1), Smith 1 (2), Bellawamca.

Telstar (65)
Davis 5 (4), Knox, Keniston 2 (1), Meisner 4 (1), Simmons 5 (1), Trivard (2), Hakala 3 (5), Bailey 4 (2), Wilson, Inman, Mills (1).

Our country is in a strange mood these days.

Uncertainty surrounds us. So what can you do about it? Well, first of all, maybe you should take a long, hard look at this country of ours. Maybe we should look at our healthy side as well as our ills.

And maybe, just maybe, you'll find we're not all that bad. Sure we have our problems. And they're not going to go away if you just stand along the sidelines as a spectator.

But they might start to go away if you seriously want to do something for your country.

A U.S. Savings Bond is one way. Let's say you fork over \$18.75 of your hard-earned cash. Through a Payroll Savings Plan where you work, or at your bank. That will give you

a Bond that's worth \$25.00 in just 7 years. If you did that every month you'd stash away quite a nest egg for yourself.

And so would your country. Your country would be economically stronger to find remedies for some of the headaches we have. While it's preserving something called freedom.

Something that's hard to appreciate. Until you lose it. Savings Bonds now have a new high interest rate of 4 1/2%. And buying them gives you the privilege of also buying the even higher interest 5% Freedom Shares in combination.

However you look at it, it simply makes a lot of sense to invest in your country. After all, it's the only country you've got.

NEWRY

Miss Amy E. Henshaw, Corres.

The Selectmen have received the annual town reports from the printers, and they are being distributed.

The warrant for the annual town meeting, which will be held at the Bear River Grange Hall, March 3, at 7 p. m., contains 39 articles, most of which are routine.

During the past summer the Selectmen were contacted by the town of Rumford, and requested to ask for an appropriation to perambulate the Rumford-Newry town line. A \$300 appropriation is being asked for this purpose. A \$200 appropriation is requested for White Pine Blister Rust Control, to complete the project started last year. This will be matched by Federal and State funds, and should complete the project so that further appropriations will not be necessary for at least ten years.

The budget prepared by the Selectmen, for all accounts other than schools, totals \$9,262.44, up \$408.25 from last year. Other items in the selectmen's budget are: Current and Contingent expenses, \$1,800; Support of Poor, \$600; Snow Removal, \$1,200; Tarring Roads, \$1,500; Roads and Bridges, \$1,500; Highway Equipment Fund, \$500; Interest on M. & S. Note, \$50.44; Town Dump, \$50; School Nurse, \$50; Street Lights, \$35; Care of Cemeteries, \$200; Flags for Cemeteries, \$10; Fire Protection, \$1,000; Mental Health, \$67; Workmen's Compensation, \$200; Total, \$9,262.44.

The town's share of the proposed budget for S. A. D. 44 is \$28,890 up 25% or \$5,870 from last year. The increase in the school budget alone will mean approximately an 18% increase in taxes over last year, if the budget is approved by the voters at the annual District Meeting, which will be held February 26, at the Telstar Regional High School. Any voter in the five towns in the District may attend this meeting and vote to accept or reject the budget. If the budget is approved at this meeting, the town must appropriate the money.

Because of an increase in the State valuation of the town and an increase in the proposed County budget, a substantial increase in the County tax is anticipated.

Delia Gilbert is under the doctor's care. Her brother, Frank Pilote of Whitefield, N. H., and his daughter, Mrs. Doria Duke of Barre, Vt., called at the Gilbert home Friday.

Mr. and Mrs. Bernard Pilote of Berlin, N. H., were guests of the Gilberts Sunday.

Mrs. Gloria Wilson and sons of Gorham, N. H., called at Alden Wilson's Saturday evening.

Mrs. Joe Deegan, son Henry, and daughter, Sally, attended Grange at Bryant Pond, Tuesday evening.

"Make a joyful noise unto the Lord, all the earth: make a loud noise, and rejoice, and sing praise... Let the floods clap their hands: let the hills be joyful together before the Lord."

These verses are part of the Responsive Reading this Sunday in all Christian Science churches.
The subject of the Bible Lesson-Sermon is "Soul". The following is one of the selections to be read from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Experience should be the school of virtue, and human happiness should proceed from man's highest nature."
At First Church of Christ, Scientist, Main and Tenth Streets, Berlin, N. H., services will begin at 11 a. m. The title of the next program in the Christian Science radio series, "The Bible Speaks to You," is Communicating with the Younger Generation." It can be heard at 8:15 a. m., Sunday, Feb. 16, over station WMOU.

THIRD HIGHEST DEER KILL RECORDED FOR MAINE IN '68
Final, audited figures show that Maine's 1968 deer kill was 41,078. Seventeen deer were taken by archers. Preliminary figures showed the total of 40,017 but a tabulating machine total shows the higher final result. This is the third highest deer harvest on Maine's records. The highest, set in 1959, was 41,735, and the second highest was 41,730, which occurred in 1951.

ILLEGAL FOR DOGS TO ROAM IN DEER-FREQUENTED AREAS
Dog owners are reminded by the Maine Fish and Game Department that it is now unlawful for dogs to roam at large in areas frequented by deer.

The owner or keeper of any dog found in a deer area between December 1 and June 30 is subject to a fine of up to \$50 and may also lose his dog.
Game Wardens are authorized by Maine law to destroy any deer-chasing dog, but rather than do this they would prefer to see the pet kept under control by its owner.
The law is designed to protect deer through winter months when escape from dogs is often hindered by deep snow and slippery footing. Each year a number of deer are killed and others harassed unnecessarily by dogs which are allowed to roam unattended.
Records kept by game wardens show that dogs are second only to automobiles in causing out-of-hunting season deer deaths.

SCHOOL DIRECTORS MEETING

Continued from Page One
The next meeting of the directors will be held at the Telstar cafeteria on Tuesday, March 11.

Following is the report of the Book Review Committee presented at the Tuesday meeting:

The Book Review Committee, consisting of Bob Davis, Wendell Twitchell, Mrs. Barbara Richardson, Jim Fiske, with Ralph Ryder and Mrs. Kay Davis serving as advisors, has reviewed the one "formal" complaint lodged against the use of books at Telstar Regional High School. This single complaint involved the book "Emperor of Ice Cream," by Brian Moore.

After a preliminary organizational meeting, the committee met with members of the English Department, who presented a rationale for the use of such contemporary novels. The need to involve students in the on-going search for a personal value system seems to summarize the philosophy of the English curriculum. No longer do English teachers see their job as one of getting students to memorize rules of grammar and traditional pieces of valued poetry. Rather, by using grammar and compositional methods as tools, they seek to have students exposed to differing ideas and value systems in an effort to have them arrive at a personal view of themselves, humanity, and the environment in which they must involve themselves. Since members of the Board of Directors have had the opportunity to read the book in question, details of the book as presented by the English teachers will not be presented in this report.

A subsequent meeting was held, at which the Review Committee heard the comments of: Rev. Hanson, Mr. and Mrs. Robert Day, Mrs. Shimamura, and Mr. Claude Blanchard. Mrs. Day presented a rather detailed summary of the book in question, highlighting as problem areas seen by her group:

1. The apparent ridicule of religion (Catholic) as evidenced by Gavin's "irreverent" references to a statue and his scoffing at his mother's religious values.
2. The "gutter language" and references to various anatomical organs. The dissenting group seemed to feel that naive girls would be embarrassed by asking "improper" questions.
3. The two sexual scenes which admittedly were not culminated, but "could not help but sexually arouse children and adults alike."

Following Mrs. Day's presentation, and subsequent discussion Reverend Hanson summarized by indicating that the book in question is not the real problem, but rather the "humanities" approach of the English Department is what needs changing. He said that this humanistic approach presents a "false God", and further, that Telstar might go the way of many college campuses toward socialism and communism.

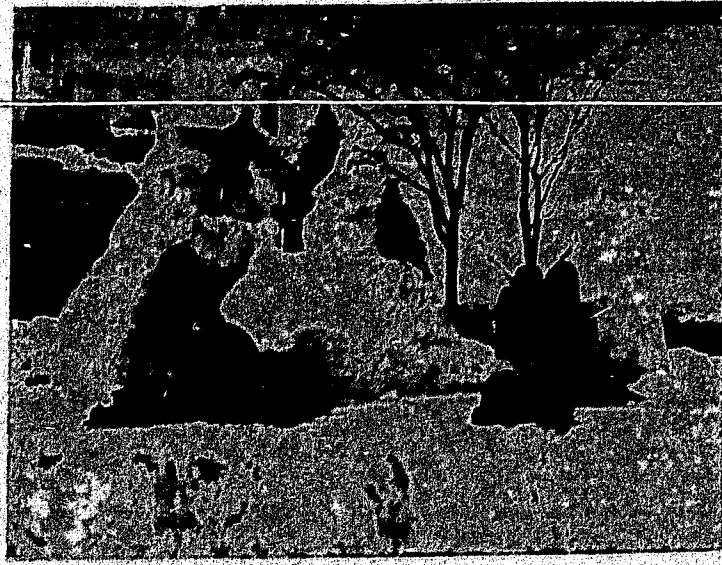

Following this meeting the Review Committee met and agreed unanimously that their recommendation to the Board of Directors would be: That "Emperor of Ice Cream" not be removed from the English curriculum.

This recommendation was reached in view of the following considerations:

1. Over thirty (30) courses are available in the English curriculum, many of which are very traditional (Shakespeare, The Bible, etc.).
2. Pursuant to a former Board policy, a parent's request to remove a specific book assignment for his child will be honored.
3. The detailed description of English courses in the student course catalogue will be more specific this year.
4. The Guidance Department will be more actively involved in the student selection process this year.

The Review Committee felt that item #3 above was important, and that parents should have at-a-glance access to appraisal of a particular course without having to read each book. We would suggest that the full Board indicate to Mr. Ryder their wish on item #3 at the time they act on the main recommendation, i. e., that "Emperor of Ice Cream" not be removed from the English curriculum. — Respectfully submitted, A. J. Fiske

DOUBLE CHECK TAX RETURN BEFORE MAILING

After your 1968 Federal income tax return is filled out, it is a good idea to set it aside for a day or so and then give it a thorough review before mailing it.

The Internal Revenue Service said that many persons who follow this advice often find income or deductions they omitted or errors in arithmetic.

A review of the return may disclose that the social security number was omitted or listed incorrectly, copies of all W-2's (Wage and Tax Statements) are not attached, the return is not signed, or the address or zip code is missing.

WEEK IN OXFORD CO.

At Tuesday's session (Feb. 11) of Oxford County Superior Court, in Rumford, Millard S. Chapman of South Paris, pleaded guilty to a charge of manslaughter. He was sentenced to one and a half to six years in State Prison by Justice Albert Knudsen. The charge against Chapman arose out of the alleged beating of his wife on Nov. 11, 1967. Both the respondent and his wife were 54 years of age at the time. Chapman was allowed bail in May 1968 pending a Supreme Court decision. He was rearrested on Tuesday.

Three young men of Mexico were trapped eight hours in a stalled auto on Pine Street during the recent storm. They are recovering from exposure and carbon monoxide poisoning at Rumford Community Hospital. Officials said they would have been dead in a very short time. They were identified as Leonard Gariarneau, 18, Duntile Street; Daniel Perry, 18, of Penley Street, and Carmel Bolduc, 19, of Roxbury Road.

Steve Treblecock, 24, of Oxford, was hospitalized at Stephens Memorial Hospital, Norway, Sunday following a collision of the snowmobile on which he was riding with a car on High Street, Oxford village. Treblecock suffered compound fractures of both arms and legs. His condition was described as serious. The car which hit the machine was reportedly operated by Robert M. Vezina, 18, of Oxford. Officials said the snowmobile was a total wreck. Damage to the car was between \$200 and \$300. Hebron Academy announces the plan for the erection of a three-level library and learning center. Construction will start on the brick building this spring. Completion is expected by the fall of 1970. The architect is T. Frederick Norton, Oaklawn, R. I., and West Mystic, Conn. The library will be named the Roscoe H. Hupper Memorial Library in honor of the former president of the board of trustees.

Oxford County Superior Court convened February 4 at the Superior Court rooms in the Rumford Municipal Building. Honorable Albert Knudsen, Portland, is the presiding justice. James Kendall, Dixfield, is county attorney. Memorial services

Letters to the Editor

To the Editor:

Would you be good enough to open your column to the following:—

This was a beautiful letter—the Chairman's of the Board of Directors of School District 44. It is hoped many citizens will take heed. Particularly you uniquely capable American women. Look into your schools which have taken over not only the education but also the upbringing of your children.

Look into your government which is responsible for the house-holding of our country which is only a larger replica of your own households you manage so ably. It is continually inviting your cooperation, your ideas, your talents.

Suggest, for instance, that its appeals for your help in beautifying America are vain, if they spend billions on innumerable Urban Renewal schemes, and when an individual tries to beautify the outdoors of his house, he is punished by a higher tax rate. Suggest to the government that it should rather remit his taxes, or part of them; America would become more beautiful and the government could shut down all those offices with thousands of officials and thus effect a saving.

Sincerely,

B. Y. Noyi

To the Editor:

The parents and all other citizens in SAD #44 need to know how their tax money is going to be spent as they go to vote at the Feb. 26th District meeting. Some of it is going to support the Humanities Course being followed by the English Department of Telstar Regional High School. This course is responsible for the many obscene and questionable books being used in some of the English classes.

Faculty members who are hired to teach English and who are following the Telstar Humanities Curriculum Guide, are expected to present and discuss the problems of youth and such questions as: "Who am I? Where have I come from? Where am I going? Why? What is the meaning of life?" (p. 3), and yet, "The English Humanities Committee does not presume to find those answers for him" (p. 7).

"Humanities" means humanism which is a philosophy of religion that defies man (makes him his own god) and ignores God and the Bible. It promotes the idea that "reason ought to be the slave of the passions" (David Hume, p. 3).

These vital and spiritual questions are considered and yet God's own answer is not definitely presented. Is this fair to the students either academically or spiritually?

This course coupled with many unsupervised school hours creates a dangerous moral situation for many of the students. There are many commendable courses and activities at Telstar, but do the parents and all other citizens in this District want to support these two features in our new high school?

Sincerely yours,

Rev. Linwood A. Hanson

WHAT WOULD BETHEL'S DECISION BE?

The following "Letter to the Editor" appeared in a recent issue of the "Bangor Daily News":

Industry Is The Answer
Bethel

To The Editor:
A \$100 million dollar project, consisting of a nuclear power plant to power an aluminum plant to be built by Alcan International Ltd, was voted down by the citizens of Trenton, Maine by a two to one margin.

A plant that would have meant more money for the town, a step in progress, and most important of all, the chance to hold some of the young people who are leaving the state by the hundreds.

Is this the way to keep young people? Is this the way to entice industry to our state? What will it take to make this stagnant state realize it can not possibly hope to progress by shunning industry.... It is time to supplement our rich tourist trade with something which will aid the average person not hurt him. Industry is the answer.... The provincial thought that this 2,000 acre industrial park would have been detrimental to Trenton's recreational and tourist aspects is a little absurd. With the vast amount of recreational facilities and the many areas of natural beauty that Maine possesses, what harm can 2,000 acres of progress do? It is time for Maine to make a decision! The outcome can mean a bright and progressive future or it can mean a state outmoded and surpassed by her sister states.

AUBURN MANUFACTURERS SNOW-MAKING MACHINE

Constant powder snow, the dream of all skiers and previously available only in the highest Rockies and Alps, has been made available to all ski area operators through the inventive genius of a Maine agricultural engineer.

Tall, raw-boned Otto Wallingford of Auburn is an ex-apple grower turned ski operator with a flair for mechanical inventions. His instant "powder maker" is used at about 35 ski areas throughout New England and also as far away as New York, Pennsylvania, Michigan — and even Utah.

In short, they're being employed wherever snow and heavy skiing compress snowcover into the hard, icy conditions that skiers call "bollerplate."

There are at present 22 men working full-time to produce the machines.

The powder maker, designed to be towed behind a snow tractor, basically comprises two hollow rollers made of expanded grating metal, each eight feet wide and 30 inches in diameter.

Controls in the tractor cab permit the operator to change the angle at which the drums are towed hydraulically, and to raise and lower a scissor bar.

Sharp teeth on the bar break up the hard surface, which is then chopped into powder by the sharp edges of the grating metal.

The result of towing this contraption over boiler-plated ski slopes: instant powder snow up to several inches deep and a blessing to ski area operators who previously could only scan the skies for snow clouds to cover it up for a while. Now they can create powder overnight.

Wallingford says his invention was "born" of sheer necessity. He operates Lost Valley Ski Area in Auburn, one of Maine's more unusual ski developments. Though it boasts one of the shortest vertical rises of any Maine area—240 feet—it is served by modern lifts, including a chair and T-bar. Yet it's one of Maine's busiest and has been labeled the State's "Biggest Little Ski Area."

A busy day means about 2,000 skiers on its slopes.

Unique is Lost Valley's special evening ski school program that has drawn 611 adults and 530 children into that sector so far this winter for a total of 1140 persons participating in a regular ski program.

Nearly one-fourth are beginners. And Lost Valley's ski school is the biggest in the State, with 55 instructors employed. Lost Valley's popularity can also be attributed to its proximity to a lot of Maine people.

Wallingford became a prominent and successful owner-manager of apple orchards in the Auburn region following his graduation from the University of Maine in 1948 with a bachelor's degree in agricultural engineering.

A decade ago he foresaw the coming boom in skiing and in 1961 opened Lost Valley on a 35-acre plot of steep and wooded land owned by himself and a local veterinarian, Dr. Camille A. Gardner. Lost Valley was a Maine pioneer in the use of snow-making facilities and lighting for night skiing.

Wallingford reports he has "phased himself out" of apple growing to devote full time to the ski industry. Reports indicate that 71 of his powder makers are in use, and 36 more under construction.

MT. ABRAM SKI SLOPES

On Friday, Feb. 14, girls from several colleges are holding racing competition at Mount Abram Ski Slopes.

The U. S. Naval Air Station at Brunswick is sponsoring a three day ski competition to be held at Mt. Abram Ski Slopes starting February 25. Other Naval Bases entered in the races are from Boston, Mass.; Quonset Point, R. I.; Newport, R. I.; Keflavik, Iceland; Argentina, New foundland; Portsmouth Naval Shipyard, Kittery; Cruiser Destroyer Force, U. S. Atlantic Fleet; Navy Securities Activity, Winter Harbor and the Naval Construction Battalion Center, Davisville, R. I. A special feature of the meet will be a banquet on opening day.

Bethel Senior Citizens have received an invitation to join the Livermore Falls Senior Citizens for a luncheon and meeting on Tuesday, Feb. 25, at the Mt. Abram Ski Lodge.

WOTTA CONTROVERSY!
(contributed)

Our little town of Bethel, folks, is once again agog.

But not about our pure, sweet air, untouched by smoke or smog.

It's once again a battle over bubbling Chaparral Brook—

To fluoride its waters, be it done by hook or crook!

We oldsters take our uppers out and rinse 'em clean and white.

And pop 'em back with snap and click, assured that they will bite.

And ransinate our steaks and chops in just the way they oughtta.

Without those added fluorides to Brother Chapman's water!

Oh, sure, the State can take our homes by "eminent domain"

And ghosts who fought at Concord Bridge look down in wrath and pain—

The waters under Concord Bridge flow sweet and clean and pure.

A mirror of democracy and free dom—that's for sure!

Now little John and Mary, if a parent so decides,

At drug store or at clinic can get all the fluorides

Their toothies need. But WHY do those "do-gooders" still insist

The rest of us must fluoride or suffer broken wrist? (Result of twisted arm!)

ALL NEW 4-YEAR FRESHMEN UNIVERSITY OF MAINE, ORONO, TO LIVE ON ORONO CAMPUS

All new four-year freshmen admitted to the University of Maine in Orono will be housed on the Orono campus beginning in September of this year. It has been announced by U-M Acting President Winthrop C. Libby.

This is a departure from housing procedures of the current academic year in which some 300 four-year freshmen were housed during the fall semester at the University's South Campus, located on the site of the former Dow Air Force Base in Bangor.

Libby, acting on a recommendation by a committee on student housing, announced that starting in the fall of 1969 the facilities at South Campus would house all two-year students, transfer and readmission students, other than new freshmen, who submit applications for housing after June 15, 1969, and volunteers, other than new freshmen.

However, transfer and readmission students, those submitting late housing applications and the volunteers will all have the option of moving to the Orono campus as soon as overcrowding is eliminated in the main campus dormitories. It is believed that attrition will eliminate the overcrowding by the end of the first semester, it was announced.

The decision to readjust the housing composition at South Campus came after several months of study. In its first year of operation, 1968-69, South Campus accommodated some 300 freshmen along with 200 two-year students.

"Our studies indicate we should

LONGEST BERLIN JUMP — Jay Martin of Minnesota as he established the official longest jump at the Berlin ski jump in 1965. He is the 1968 National Champion.

make every effort to locate new four-year freshmen enrolling in the Orono-Bangor complex on the main campus at Orono," Robert B. Cobb, director of student services and chairman of the housing committee, said.

"We find that freshmen students who have been located at the South Campus this year have generally done poorer academic work than those on the main campus at Orono. This can be traced to such factors as time involved in travel between the two campuses; inaccessibility of library facilities, faculty members and advisors; and the separation from upperclass students.

"Since many of the two-year classes have been held at the South Campus, the two-year students have functioned more as a unit than the freshmen.

"It is also felt," Cobb added, "that readmission and transfer students, being somewhat older than the first-year students, will more readily adjust to some of the problems involved in being located 10 miles from the main campus at Orono."

In order to accommodate all new four-year freshmen on the Orono campus this fall some 300 extra spaces will be provided in dormitories by exceeding normal room capacities and by using some lounge areas which have been used in the past. It is expected that the overcrowding at Orono will be eliminated by the end of the first semester of 1969-70.

Approximately 630 students will be housed at South Campus this fall, utilizing three men's and two women's dormitories.

ADULT EDUCATION PROGRAM BEING DEVELOPED —TO START IN MARCH AT TELSTAR REGIONAL H. S.

An Adult Education Program is currently being developed to start in March at Telstar Regional High School. Each course will meet one hour and a half, two nights a week, for fifteen weeks. The only cost to the participants will be \$5.00 registration fee (\$7.50 for those who are not residents of S. A. D. 44) plus supplies for the course. (An attempt will be made to keep text and other expenses at a minimum.)

The purpose of the program is twofold: first, to provide an opportunity to obtain credit for those adults interested in a high school diploma, and secondly, to provide courses for those adults interested in self improvement.

In order to provide courses that will be of interest to the community, the Telstar Guidance Department is asking adults to fill out the form below and return it by their children to their schools or, if desired, it may be mailed to the Guidance Department, Telstar Regional High School, Bethel, Maine. Please return this form not later than Friday, Feb. 14. If you are unable to return the form by that date, please call the Guidance Office and signify your interest. The response to this form will determine the courses to be offered in that only a limited number will be available.

EASTERN JUMPING CHAMPIONSHIPS TO BE HELD AT BERLIN, N. H., FEB. 15-16

Preparations are nearly completed for the forthcoming U. S. Eastern Jumping Championship to be held at the Berlin Ski Jump February 15 and 16. A field of close to 100 jumpers are expected to compete in this event on the 80 meter hill. Berlin, New Hampshire's northernmost city, boasts the highest steel structure ski jump in the world. The 181 foot high jump was recently renovated at a cost of over \$75,000. The parking lot can accommodate over 3,000 cars, all with a visibility of the jumping activities.

Top jumpers from throughout the country will vie for honors at the event. Ken Fysh, jumping events coordinator, stated that most of the jumpers who will be participating in the Nationals being held the following week in Brattleboro, Vt., are expected to compete in the Berlin event.

Among the competitors will be 1968 National Champion Jay Martin of Minnesota. A member of the 1964 and 1968 U. S. Olympic Team and a 1968 F. I. S. team member, Martin is the official holder of the longest jump ever recorded on the Berlin hill. He established the mark in 1965 with a mighty leap of 263 feet.

Battling Martin for top honors will be '64 National Jumping Champ Dave Hicks of Duluth, Minn. Hicks, a former Olympic team member is considered extremely strong competition in the class A division. Also participating will be Rick Kern of Duluth. An 18 year old junior A jumper, Kern recently beat all contestants on Duluth's 75 meter hill. Among the competitors he defeated were four members of the national jump-

ing squad. A New Hampshire lad, Bruce Jennings of Lebanon, will also participate in the event. Jennings is a member of the national jumping team and a student at the University of Colorado. He is considered one of the upcoming jumpers for 1970. Dana Zeisauk of Cannon Falls, Minn., of Michigan are all considered competitors. Tim Denison of the University of Wyoming, Peter Robes, National College Champion, and Brian Nickerson of Michigan are all considered top competition and will all be battling for top place.

PUBLIC HEARING NOTICE

The Water and Air Environmental Improvement Commission of the State of Maine, acting pursuant to Title 38, Section 451, of the Revised Statutes, as amended, will hold a public hearing on March 5, 1969, at 10:00 A. M. in the Municipal Building, Rumford, Maine, in order to determine whether the Towns of Rumford, Mexico, Livermore Falls, Jay, Bethel, Dixfield, and all Industries and Sewer Districts within these communities can reasonably complete any or all of the steps required to be taken by subsection 1, paragraphs A through E, of said Section 451, at an earlier date or dates than is therein provided.

In determining whether an accelerated schedule of compliance with said Section 451, should be imposed upon these Towns, Industries and Sewer Districts, and the Commission will consider the following factors: The availability of municipal, quasi-municipal, state, federal or other funds; of technical or engineering advice or other services; of machinery, construction materials and manpower necessary to construct any proposed abatement facility, and the state of the art of pollution abatement technology.

The above Towns, Industries and Sewer Districts are invited to appear at the hearing in person or by attorney, and to present such evidence concerning the above factors and such other evidence in the premises as it desires.

FAMILY POT LUCK

Add 2 tablespoons of mayonnaise to contents of one (3 3/4 oz.) can of Norway sardines. Drain olive oil and mix thoroughly. Serve on toast fingers. Decorate with dash of chili sauce or tomato catsup topped with small parsley sprig. Yields 10 to 12 canapés.

For a change of pace, marinate your lamb chops. Mix one-third cup soy sauce, one-third cup oil, and one-fourth cup lemon juice. Let chops refrigerate in this mixture about two hours, turning once or twice. Broil chops three inches from heat, allowing about six minutes on first side, five on the second side.

Yams and hams not only rhyme, but go well together. You can boil and mash yams as an accompaniment to baked ham, or broil yams with ham steak. Yams combine well with fruit, offering a wide variety of casseroles and skillet dishes.

NUTTY BURGERS

1 1/2 lb. ground beef
1 clove garlic, minced
1/4 cup parsley, chopped
1 tbs. A. 1. Steak Sauce
1/2 cup chopped nuts (almond, cashew or pecans)

Blend all ingredients well and shape into 6 equal patties. Brush with oil and broil on grill for 3 to 6 minutes each side. Makes six servings.

An eligible veteran can take flight training under the Veterans Administration assistance program if it is for the attainment of an approved vocational objective in aviation.

Mr. and Mrs. Ronald Snyder are receiving congratulations on the birth of a daughter, Louise Mae, February 6, at the Stephens Memorial Hospital, Norway.

OFFICIAL SCORES FLUORESCENT BLAZE ORANGE TEST

The Safety Officer of the Maine Department of Inland Fisheries and Game says that the two year fluorescent blaze orange test area shows positive results.

Warden John Marsh said that visibility - connected hunting accidents, the only type that the Safety color can help prevent, were cut by 50 percent during the test.

Marsh notes that prior to the test, there was an average of eight visibility-connected mishaps each year. During the two year test period, when all hunters were required to wear blaze orange, there were only four accidents each year in the test zone.

In each of the four accidents during, 1968, Marsh says, there were circumstances which should be explained.

In one instance, the victim was wearing a hood which covered his FBO hat; in another, the victim was hit by a stray, nearly spent shotgun pellet which barely penetrated the skin. Another victim was struck by a 20-30 slug which had penetrated a deer and traveled 300 yards through pine growth. The victim, operating a fork lift at the time, was out of sight of the shooter. In the third case, the victim was obscured by dense growth; and investigators determined that even with blaze orange clothing only a blur could be seen from the vantage point of the shooter.

This explanation is in no way an attempt to negate the seriousness of the mishaps but rather to show that in most cases there were indeed, "accidents," the prevention of which would be nearly impossible.

CALLING ALL SINGERS

The "Dollars for Scholars" Minstrel Chorus met Tuesday night with only fourteen ladies present and No Men.

Where are our singers? Talent is abundant in our community. How about sharing with others and offering a little of your time to help make the Minstrel a success?

All adults and high school students in the S. A. D. 44 area are urged to join the chorus next Tuesday, Feb. 18 and Thursday, Feb. 20, at 7:30 p. m. in the music room at Telstar Regional High School.

For more information, contact Mrs. Edith Eypner or Mrs. Richard Littlefield.
